

# 3M Safety Showcase

Please join us on April 25th and 26th for 3M's Southern California Safety Showcase, with two days of events, demonstrations and training opportunities.

All participants have the opportunity to see the latest in PPE safety equipment ranging from respiratory to fall protection, experience our Orange County training facility and take home a few free items!

To register for the event, simply visit [engage.3M.com/3MSafetyShowcase](http://engage.3M.com/3MSafetyShowcase). All completed registrations will be eligible for our prize drawing for a free iPad (one each day) and will also receive a sample PPE kit, valued at \$100.

## Training Opportunities

- **\$235 value free!** A PPE Essentials class will be held Tuesday, April 25th from 8:00 a.m. to 12:00 p.m. This class is open to the first 20 people to register on our event landing page. Visit: [engage.3M.com/3MSafetyShowcase](http://engage.3M.com/3MSafetyShowcase)
- **\$235 value free!** A Dropped Objects Competent Person class will be held on Wednesday, April 26th from 8:00 a.m. to 12:00 p.m.

## Open House Events

The training center will be open from 12:00 p.m. to 5:00p p.m. on Tuesday, April 25th and Wednesday, April 26th and will include several great learning opportunities:

- **Free E-A-Rfit testing** will be available **during the open house event:**  
The E-A-Rfit Dual-Ear Validation System measures the effectiveness of the hearing protection from inside the employee's ear, providing accurate, quantitative results. And because you can simultaneously test both ears, you'll have more time to educate employees on the importance of fit and compliance.
- **Dropped Objects demonstrations:** Designed to provide awareness of what can happen when objects/tools are dropped onto the workspace below.
- **Truck demonstration:** 3M's fall protection specialist will be on hand to conduct a demonstration on the forces generated in a fall and to review the "A, B, C's of Fall Protection."
- **Rescue demonstrations:** Our fall protection trainer demonstrate how to rescue someone in the event of a fall from heights.

In addition 3M will have experts on hand to answer any questions you might have about safety equipment, industry standards/regulations and how to take advantage of our Orange County training center to help train your workers.

## Free Food!

Food trucks will be on site each day so you can grab a bite while you participate in the showcase.
